**PRELIMINARY STATEMENT**

This proceeding for the assessment of civil penalties was initiated on or about September 12, 2003, pursuant to Section 14 of the Federal Insecticide, Fungicide, and Rodenticide Act (hereinafter called FIFRA), 7 U.S.C. §136l, when the United States Environmental Protection Agency (hereinafter referred to as "Complainant") issued a "Complaint and Notice of Opportunity for Hearing" to Liqua-Tech Industries, Inc. (hereinafter referred to as "Respondent").

The Complaint charged Respondent with one count of violating Section 12(a)(2)(L) of FIFRA, 7 U.S.C. § 136j (a)(2)(L) and Section 7(c) of FIFRA, 7 U.S.C. § 136e(c), which requires any producer operating a registered pesticide-producing establishment to inform EPA of the types and amounts of pesticides and, if applicable, active ingredients used in producing pesticides, which he is currently producing, which he produced during the past year, and which he has sold or distributed during the past year. The information required by this paragraph shall be kept current and submitted to the Administrator annually as required by such regulations as

the Administrator may prescribe. The regulation found at 40 C.F.R. § 167.85(d) requires such pesticide reports to be filed annually on or before the first of March.

Subsequently, Complainant and Respondent entered into negotiations in an attempt to arrive at an amicable resolution of this matter. This Consent Agreement and Final Order set forth herein below is the result of these negotiations and represents settlement of this Complaint.

4. Respondent certifies by signing this Consent Agreement and Final Order that it is presently in compliance with FIFRA, 7 U.S.C. 136 et seq., and all regulations promulgated

thereunder.

5. Nothing in this Consent Agreement shall be construed as a release from, or to insulate Respondent from, any other action under any law and/or regulation administered by the U.S. Environmental Protection Agency.

6. Each party shall bear its own costs and attorneys' fees in the action resolved by this Consent Agreement.

7. Each signatory of this Agreement certifies that he or she is fully authorized to enter into the terms of this Consent Agreement and Final Order.
